

ONLINE TITHES & OFFERINGS

Enjoy the convenience of secure, electronic giving!

PEUMC offers electronic giving, which allows you to make donations on either a one-time or scheduled, automatic basis.

If you are writing checks and preparing envelopes every week, you will especially appreciate electronic giving! It is convenient for you, offers peace of mind, and provides much-needed income consistency for our church!

Thank you for your generosity!

The company we work through for online giving is called VANCO. VANCO is considered one of the most trusted and widely used giving platforms among U.S. churches because it combines strong security standards with decades of experience serving faith-based organizations like ours.

VANCO processes payments using industry-standard encryption, secure ACH handling, and compliance frameworks designed to protect both donors and churches. Your bank and card data remain secure during transfer. VANCO follows the Payment Card Industry Data Security Standards (PCI DSS) which govern how card data must be protected.

Today, over 25,000 churches rely on VANCO nationwide. Many denominations, like The United Methodist Church, and faith organizations publicly recommend VANCO for secure electronic giving. In their 20+ years in business, VANCO has never been involved in a data breach/leak or security scam.
